Dear Ms. Armstrong:

On behalf of the Charlotte-Mecklenburg Community Relations Committee, I would like to thank you for your generous contribution and support in making the Twenty-Fourth Annual Police Community Relations Awards Program a success. Please know that it is because of the interest and support of your company that we are able to honor police officers for their efforts in improving police-community relations in the greater Charlotte-Mecklenburg area.

Later this month, the Police Community Relations Subcommittee will begin a formal review and evaluation of this year's program. At that time we will review any comments, concerns, or suggestions submitted by sponsors, police personnel, and the general public. We invite you to be a participant in this process by sharing any suggestions you may have for the 2004 Awards Program. This information can be submitted in writing to the Charlotte-Mecklenburg Community Relations Committee, 600 E. Trade Street, Charlotte, NC 28202 or by calling Donna S. Johnson at (704) 336-3056 Monday thru Friday between the hours of 9:00 a.m. and 5:30 p.m.

Initial plans for next year's program will be developed in the fall of this year. At that time strategies for identifying potential award winners will be developed. We will also begin contacting our sponsors to ascertain their intent on being a part of the 2004 awards program. To that end, we respectfully request that WSOC-TV continue as a sponsor of the Police Community Relations Awards Program.

Once again, we thank you for your support and involvement in the Police Awards Program. We look forward to talking with you over the next few months.

Sincerely,

Fran Perez, Chair

Re: Family Focus Participation

Dear Ms. Harris and Ms. Hall,

I wanted to personally thank you both for allowing the N.C. Transportation Museum another wonderful year of participation in the Family Focus campaign. The Family Focus series allows the museum exposure to a wide demographic audience and brings in new visitors each year.

This year, the museum had nearly 800 visitors ask for the Family Focus discount, raising an additional \$2,380.00 for the museum's site operations. This number was up from last year's participation of around 250 participants. The Family Focus series is a valuable asset to WSOC Channel 9, and we feel honored to have been a part of the campaign.

Again thank you for your help, and we appreciate this opportunity. We hope to work with you again next year.

Best Regards,

Dear Lee:

With your terrific help we did it again! Our 38th annual Jerry Lewis MDA Telethon was a record-breaker. You rallied your community behind MDA and its cause to raise a sensational total.

The great team you put together helped lead us to the most successful Labor Day Telethon ever -- and it was our "Love Network" of local affiliates, bringing MDA's message to the American public that made this accomplishment possible.

You're essential to our fight against neuromuscular disease. Your emcees conveyed MDA's message of help and hope to a caring public as only they can. Your final toteboard total is testimony to their effectiveness. It was truly a Telethon to remember!

We couldn't have done it without you! You have our deepest appreciation for everything you do in the fight against neuromuscular disease.

Warm regards. . .

Dear Shannon:

Please do me two favors: Take a bow for what you did for the Dixie Classic Fair, then personally thank everyone who came from WTQR. Record attendance does not just happen. Your station played a big role in this year's success.

I've always heard that the cream rises to the top, and I saw it first hand this year at your location. Helping raise money for charity was a neat idea. The folks who were your partners told me they got a lot participation.

Frankly, what really impressed me was the interaction of your air personalities with the crowds and their dedication to the event. Bill not only came with an obviously painful injury, but twice he also had to fight big weekend crowds to hobble to your location. Ed and Dallas kept big smiles and great attitudes their entire shifts. They represented the station and the Fair very well. They're keepers.

Angie made certain that a special young man got to meet Steve Azar, his country idol. It wasn't just a quick meet and greet but a visit. I noticed that all the people who were waiting their turn for a handshake and autograph were patient and were touched by those few special minutes. That was public relations at its best.

WTQR has long been a great friend of the Fair, and I hope it continues to be for many years to come. The Fair values the relationship more than words can express; so, when I say Thank You for all you and your people did, it is far more than just two words. It is deep, deep gratitude and appreciation.

Cordially,

Bob Morphis

It's hard to believe that nearly a month ago it was 20 degrees colder and over 70 people showed up to jump into the cold water at Oak Hollow Lake. With the counting done, I wanted to take this time to say thank you to all that participated. We raised over \$15,700 for Special Olympics North Carolina.

Yes, we are about fundraising, but the Law Enforcement Torch Run is also about raising awareness of Special Olympics. These athletes train year round and all their money comes from individual and corporate donations. Once again, we had a diverse group show up to lend their support. We had biker chapters like the Randolph County CBA (Concerned Bikers Association) and HOG (Harley Owners Group) members. There was Mike from DMJ (Davenport Marvin Joyce & Co.) who, over the past three Polar Plunges, has raised over \$11,000 and will receive this year's trophy for most money raised by an individual. We had students and teachers from elementary schools to college participate. This is what I call a diverse group of our society, and we appreciate each and every one of you.

I am sure everyone noticed the tents with the Harley Davidson logos. Those were compliments of Mark Wheelihan, owner of Harley Davidson Greensboro. Mark and his group at Harley Davidson raised nearly \$3,000 for this one event. Somehow, he talked a representative from the Greensboro Bats to jump in and Hooter's Girls to show up as check presenters. This year with a commitment to donate over \$10,000, Harley Davidson of Greensboro will be recognized as a North Carolina Statewide Silver Sponsor.

Once again the event was promoted by the morning news personalities at FOX-8, and a full-page ad ran in Full Throttle Magazine prior to the jump. Clear Channel Communications (WTQR and The Buzzard) helped out this year. All this media coverage brought in a lot of individuals who wanted to participate (or just watch). Thank you Jim Scott of Entercom Communications for the great job on the microphone and bringing your friends from all the Entercom radio stations who participated in the Plunge.

All in all, I think everyone had a good time. Guilford County Emergency Services provided us with a warm place to change and an ambulance, just in case. Papa John's and Krispy Kreme donated the refreshments for all those who jumped. Volunteers from P.U.S.H. (People United for Safer Highways) and the Sheriff's Department, including the underwater Recovery Team and the Explorer Post, helped the event run smoothly.

For pictures of this year's event, Full Throttle Magazine has put its pictures on the Internet at <http://fullthottlemagazine.com/homeip/net/pics/feature/200302polarplunge/>. Visit this site to see some good pictures.

Dear Charity Ride Concert Supporters,

We wish to thank each of you for your participation in and contribution to the Charity Ride Across America's Finale held at our farm for the past five years.

Our farm, which is the location for the concert and finale activities, has suffered extreme abuse this year as a result of the ice storms and inclement weather. The work and time to get everything in form for the Finale is a project that is cost prohibitive in a short amount of time. In addition, the ride is taking a southern route and we will be visiting The Boggy Creek Gang Camp in Eustis, Florida. This is a great opportunity to allow our riders a sneak peak of what's to come in North Carolina by visiting our sister camp, The Boggy Creek Gang.

It is anticipated that the Charity Ride will come back to North Carolina in 2004. Again, we sincerely thank each of you for believing what we do makes a difference.

With kindest regards,

Dear Betsy,

Thank you for your support of the 2003 Winston-Salem Air Show. Your support enabled the show to be one of the best to date. With well over 20,000 spectators in attendance the Air Show continues to grow as one of the premier events not only in Winston-Salem but also in the entire Piedmont Region of North Carolina.

As the Air Show continues to expand, it becomes increasingly important to solidify our corporate partnerships for future Air Shows. As a result I would like to meet with you and discuss the 2004 event. Also, during this meeting, I would like to get your feedback about the 2003 Air Show. This information is important so we can keep improving our relationship with our current sponsors as well as generate more sponsorship opportunities for other businesses in the area.

I will be in touch with you within the next week to arrange a time to meet with you. Again, thank you for your sponsorship and I look forward to speaking with you soon.

Dear Betsy:

As fast-paced as business has become, we rarely take the time to pay a compliment that's due. For the amount of time that you've focused on us, I wanted to take a few minutes to say thanks.

As you know, 85 % of our sales come from outside of the North Carolina market. Furnitureland South felt it was important to begin to tap the Triad and surrounding areas. We began advertising with WTQR and WMAG in February 2003, for our Fabulous February event. And from day one, we began to experience traffic and sales directly from our radio commercials and promotional support on WTQR and WMAG.

St. Jude's Radiothon was a wonderful community sponsorship and a perfect venue to help promote the grand re-opening of Furnitureland Express. It was amazing to answer the phones in the last hour of the Radiothon and feel the emotional power of the listeners, donating \$313,000...almost \$40,000 *more* than last year!

And the Garage Sale? What's happening now has exceeded our expectations! We had 30 customers lined up at our gates on Saturday, May 17 at 5a.m., one and a half hours before the doors even opened! Some of the stories we're hearing are amazing...my favorite comes from the woman who was standing in line to buy an ottoman for \$49. While leaving the sale with ottoman in hand, another customer approached her and asked if she'd sell it. And she did so, for \$100! Ah, commerce!

Your staff continues to amaze me. Please share my thanks to everyone for all their hard work: Dallas Reese, Angie Ward, Bill Flynn, Rod Davis, and Bruce Goodrich in creative services. Your on-air talent has used their wonderful gifts to tell the Furnitureland South story to your listeners. And you have always helped me stay ahead of the curve! I am going to create a Furnitureland South marketing vendor of the year award and give it to *you*. I love the partnership!
